

Welcome!

You are about to take part in a music identification experiment.

Informed Consent Form for Experimental Participants

Experimentors: Uttam Bhat, Vanessa Ferdinand, Laurent Hérbert-Dufresne, Yoav Kallus

Affiliation: Santa Fe Institute

Your participation in this experiment is voluntary and you have the right to withdraw at any time. To withdraw, just close your web browser and don't submit this HIT. No data from unsubmitted HITs will be kept. Your participation will be kept anonymous: your name will not be recorded anywhere in the database or appear in any reports or publications resulting from this study. This anonymized data will be kept under an Open Data Policy and can be requested for use by other scientific researchers. Primarily, it will be used by the three experimentors listed above.
